SCENE 01: Peaceful Village & Skyward Awe

00:00 - 00:03 (3S)

Action: In a serene Minecraft-style voxel village, three iconic no-leg block totem characters (Beanie gap-teeth dude, Top hat red-headband dude with floating golden halo, and Red beanie suit dude) stand upright on the dirt path. Sunlight brightens with lemon-lime radiance; they tilt their heads up at the sky in surprise.

Cinematic 3D Minecraft voxel art wide shot: a lush peaceful voxel village with cubic green grass blocks, blocky oak trees, wooden cabins, and wheat fields under a warm sunlit sky. In the foreground, stylized NFT block characters with solid rectangular column totem bodies, flat wooden base at bottom, NO LEGS, NO FEET (a dude in orange beanie with gap teeth, a dude in black top hat with red headband and glowing gold halo, and a dude in red beanie and suit) stand on the dirt path and look upward in awe at the bright sky. Robinhood lemon-lime #C6F221 sunbeams, Octane render 8k.

SCENE 02: The Genesis Box Streaking

00:03 - 00:06 (3S)

Dynamic fast tracking shot: a high-tech glowing 3D voxel cube artifact flies across the bright blue daytime sky above a green voxel nature valley and distant mountains. The voxel cube glows with intense Robin Hood electric lemon lime #C6F221 neon light and features the glowing Robin Hood feather emblem and circuit lines on its sides, leaving a blazing green plasma comet trail and sparkling cubic pixel particles across the sky. Octane render, MagicaVoxel 3D, 8k resolution.

SCENE 03: Meadow Crash Landing (BOOM!)

00:06 - 00:09 (3S)

Masterpiece cinematic ground action shot: the glowing Robin Hood neon lime voxel cube artifact slams violently into the green voxel grassy meadow near the village. BOOM! The cubic grass and dirt terrain shatters into an impact crater with glowing Robin Hood electric lemon lime #C6F221 energy cracks, blasting pixel dirt blocks, green grass cubes, and white smoke into the air. Green electrical plasma arcs vibrate around the cube. Octane render 8k.

SCENE 04: Genesis Core Light Beam

00:09 - 00:12 (3S)

Cinematic awe wide shot: the glowing voxel cube in the grassy crater mechanically unfolds its cubic panels, shooting a colossal vertical pillar of blinding white and Robinhood electric lemon-lime #C6F221 laser light straight up into the pixel clouds. Stylized Dudes Craft column block totem characters (with NO legs) gather around the crater rim looking up in amazement. Floating lime sparkles, god rays, Octane render 8k.

SCENE 05: Climax Logo Reveal & Launch

00:12 - 00:15 (3S)

Climax title reveal shot: rising from the vertical light pillar into the sunset sky above the voxel world is the 3D voxel DUDES CRAFT emblem featuring the iconic block avatar dude holding the glowing Robinhood feather, surrounded by radiant Robinhood electric lemon lime #C6F221 neon rings and floating magic sparkles. Bold 3D typography reads 'DUDES CRAFT', with glowing subtitles '1,999 GENESIS VOXELS' and 'ROBINHOOD NETWORK • COMING SOON'. Octane 8k.

Google Flow Step-by-Step Generation

1. **Step 1:** In Google Flow, upload v3-scene-1-village-nolegs.jpg as the starting frame.

2. **Step 2:** Paste Scene 1 prompt and set *Camera Motion: Slow Push / Upward Tilt* (Motion: 3-4).

3. **Step 3:** Upload v3-scene-2-comet-nolegs.jpg for Scene 2 with *Fast Tracking* motion.

4. **Step 4:** Upload v2-scene-3-impact.jpg for Scene 3 (BOOM!) with *Camera Shake*.

5. **Step 5:** Upload v2-scene-4-unfold.jpg and v2-scene-5-logo.jpg for the final light beam and title card reveal.
